SCHOOL CONTEXT STATEMENT

Updated: 9/15

School number: 0408

School name: Springton Primary School

School Profile Text:
Springton Primary School is located on the edge of the Barossa Valley. We are a school committed to working collaboratively with our community to achieve the best possible outcomes and opportunities for our students.
Our school’s size enables us to foster a supportive, family atmosphere with an emphasis on sharing, supporting, caring and cooperating with each other. Social skills are promoted and further developed. Springton is a You Can Do It school where the keys to success of persistence, resilience, confidence, getting along and organisation are explicitly taught. This creates a great school spirit, and a positive outlook and attitude as well as equipping students with the skills to be successful.
In our small school, student well-being is a high priority and each of the staff members know every student. Emphasis is placed on whole school leadership and achievement of personal best.
Our school provides opportunities for maximum involvement and participation in extra curricula activities such as SAPSASA sport, swimming, visual arts and numerous school and community events.
We have an extremely well-resourced library, computer lab and classroom laptops and ipads accessible for every student. All students have access to secure internet and email. Through our innovative STEM program, all students are given the opportunity to develop skills in robotics and in the near future, 3D printing within the Digital Technologies Curriculum. At Springton Primary, we teach and build sustainable habits in our students. They are currently involved in planning and creating our new nature playground. We have an extensive vegetable garden and run a cooking program using food grown in our garden.
We offer a quality learning environment with air conditioned classrooms, multiple learning spaces, spacious grounds, grassed playing areas, vegetable gardens and plenty of shaded play space.

1. General information

- Principal: Michael Kerrisk
- Year of opening: 1879
- Postal Address: CMB Miller Street
c/o Post Office
Springton SA 5235
- Location Address: 25 Miller Street
Springton SA 5235
- DECD Region: Barossa
• Position 62.5 kms from GPO (km):
• Telephone: 08 8568 2254
• Fax: 08 8568 2162

• **Public transport access:**
- There is no public transport available.

2. **Students (and their welfare)**

• **General characteristics**

The student population comes from the town, with a small percentage of students coming from nearby farms. The vast majority of students have parents working in the Barossa, while some students come from families whose adults commute to work in Gawler or Adelaide. School Card percentage has remained stable over the past three years at 21%. The school has a small percentage of single parent families and three students with an NEP, although approximately 15% of students have been identified with learning difficulties.

• **Student well-being programs**

The school staff work proactively with parents, students and community members to support student well-being. The school has implemented the You Can Do It program and is currently working to further develop students’ organisation, confidence, persistence, resilience and ability to get along with others. We have recently employed a Christian Pastoral Care Worker for the first time whose main role is to support student well-being.

• **Student support offered**

SSO & additional support for morning literacy block, intervention programs utilising speech support, fine motor skills programs, small group targeted intervention programs, as well as targeted individualised support for students with NEPs. A classroom SSO works with the classes five days per week.
• Student management
A Student Development Process, using Restorative Practices, has been developed collaboratively by staff, students and parents. Behaviour is managed through a clear process that involves positive reinforcement and clear consequences. Parents are very supportive. The Principal and staff are actively involved in counselling children. The SRC, governing council and staff have developed a whole school code of conduct. At Springton Primary, high level behavioural incidents are rare.

• Student government
At the beginning of each year, six Student Council representatives are elected who meet once a week to discuss issues affecting student welfare, fundraising and whole school initiatives. They organise public relation activities, review yard rules, deals with issues affecting student welfare and organise student activities, including special events, activities and excursions. A major focus is developing leadership skills amongst the SRCs.

• Special programmes

  **Robotics:** Springton Primary has a strong robotics program. The students are highly engaged by this program which provides stimulating opportunities to teach concepts in a variety of curriculum areas including the new Digital Technologies curriculum.

  **Young Environmental Leaders:** The Upper Primary class has representation in the Young Environmental Leaders Forum. YEL provides an opportunity for like-minded Year 6 & 7 students to share, learn and be inspired to take action for sustainability. The YEC participates in a range of workshops each year to develop skills and knowledge to run their own environmental action projects in their local community.

  Students participate in hands on activities and teach their peers about environmental actions they undertake at their school throughout the year. Projects undertaken by our YEL representatives have included conducting waste & energy audits, establishing a recycling program and planting native bird-attracting plants around the school’s wetland ponds.

  **Kitchen Garden:** Students at Springton Primary School grow, harvest, and share fresh food from the school’s vegetable garden. Students grow produce in recycled wine barrels for use in healthy lunches, sale to families and to the local restaurant. Community support has enabled us to organise watering systems for the vegetable/herb barrels, set up a hothouse and begun to manage to rotation of crops. From Term 2, 2016, we plan to begin a cooking program harvesting food from our garden.

  Harvested produce is used to supply lunches two days per week and keeps costs to a minimum for families.

3. **Key School Policies**

• Site Improvement Plan and other key statements or policies:

  Our mission is to provide a high quality educational programme that will develop in each student a passion and purpose for learning and a commitment to maximising his/her learning potential.

  Focus areas for 2015 are Literacy, Numeracy & Community Partnerships.

  **Students are encouraged to:**
• Be challenged to take risks in a safe, harassment free environment
• Use their ‘voice’ to learn according to their preferred rates and styles of learning
• Experience a relevant, challenging and interesting curriculum
• Be motivated and flexible
• Develop the abilities of independent and co-operative learning
• Develop skills and abilities all curriculum and cross-curricula learning
• Be aware of themselves and their role in the social environment of the broader world and operate effectively and autonomously within it.

4. Curriculum

• Subject offerings:
Like all South Australian Schools, at Springton we teach from the Australian Curriculum.

Subjects currently being taught in our school include:

• English
• The Arts
• Mathematics
• Science
• Digital Technologies
• Humanities and Social Sciences
• Technology
• Languages Other than English (Japanese)
• Health & Physical Education

• Open Access/Distance Education provision:
• We access on-line Japanese lessons through the Open Access College on a weekly basis

• Special needs:
• Approximately 8% of our students are verified as students with a disability. We have a highly committed SSO working with these students and receive excellent support from DECD support service providers

• Student assessment procedures and reporting
• Term 1 – Parent Acquaintance Night & Parent/Teacher Interviews
• Term 2 – Mid-Year written report on Learning Behaviours, 8 Curriculum Areas and Student Self-Evaluation
• Term 3 – Parent/Teacher Interviews
• Term 4 – End-of-Year Summative Report on Learning Behaviours, 8 Curriculum Areas and Student Self-Evaluation
• Parents/Teachers are encouraged to discuss student progress at other times of the year as needed

5. **Sporting Activities**

- The school offers an annual 5 week dance program through Footsteps Dance Company
- Regular sporting clinics are held on site with the support of the SANFL, Sturt Football Club and Redbacks Cricket Club.
- Instructional swimming lessons are held at The Rex in Tanunda
- Sports Day is combined with Palmer, Keyneton, Mt Pleasant, Truro, Mt Torrens and schools and is held around the end of Term 3 each year.
- There is strong support for community teams in football, tennis and cricket.
- Some students participate successfully in SAPSASA activities.

6. **Other Co-Curricular Activities**

- Annual School Production/School Concert is a long standing tradition and the highlight of the school year.

**Staff profile**

**Leadership**

1.0 – Principal (0.5 admin & 0.5 teaching)

**Teaching Staff**

2.0 - Teaching Staff (FTE) comprising 2 part-time teachers & one full-time teacher

1 teaching staff member is permanently employed and two are on contract

**Non-Teaching Staff**

- 30 hours – Finance Officer
- 28 hours Special Education
- 6 hours Library/Admin
- 3 hours ICT support
- 10 hours Pastoral Care Worker

Staff at this school work together as a supportive and dedicated team. Strong working relationships have been developed. Staff meet once a week (Tuesday) to discuss various school related issues/policies/T&D etc.

- **Leadership structure**
- Principal (0.5 Admin, 0.5 Teaching)

- **Staff support systems**
- Staff work teams have been established for both classrooms, and opportunities to work collaboratively with staff from other sites are provided regularly. Budgets are set each year to support staff training, especially when it is relevant to the school’s priorities. All teachers meet with other partnership teachers at least once per term, and participate in...
regular twilight training sessions. (The partnership includes Mt Pleasant, Birdwood, Lobethal, Gumeracha, Woodside, Kersbrook & Paracombe ). Partnership leaders also meet regularly to plan T & D and coordinate Student Free Days.

- **Performance Management**
- In line with DECD’s performance development guidelines, Performance Management Meetings occur each term, and consist of observations, discussions, sharing of practice, formal recording of successes and written feedback. Participation in training & development, shared curriculum leadership and peer observation & feedback is encouraged. Discussions on programming to support the school’s Site Learning Plan also occurs, with suggestions/feedback offered where appropriate from the principal and colleagues.

  : n/a
- **Locality allowances**
  : n/a
- **Relocation assistance**
  : n/a
- **Principal’s telephone costs**
  : n/a
9. School Facilities

- **Buildings and grounds**
  - The school’s heritage building, established in 1879, primarily serves as the Resource Centre and open teaching/assembly area. These were refurbished in 2008 as part of the Federal Government’s ‘Investing in our Schools’ programme.
  
  - As part of the Federal Government’s ‘Building the Education Revolution’ Programme, (2009/10) the upper and junior learning areas were significantly upgraded and a purpose-built open-learning area added to facilitate contemporary pedagogies. The main focus was on flexibility, supervision and storage.
  
  - The Federal Government’s School Pride Initiative allowed us to upgrade shade and playground facilities as a parent – supported high priority.
  
  - As part of the above initiative, the reception area was also upgraded to maximise storage and reflect the needs of a contemporary office space.

- **Heating and cooling**
  - All class areas have reverse-cycle air conditioning with the exception of the art room.

- **Specialist facilities and equipment**
  - The art room provides a serviceable area for art and science lessons, and has a kitchen facility attached.
  
  - The Library is automated using Bookmark and has a good collection for a school of this size.
  
  - The Institute (community hall) is used by the school for large gatherings or as an extra space for curriculum activities.

**Student facilities**
- Local clubs use school sports facilities after school occasionally (e.g. tennis).
- Springton Playgroup uses one of our rooms one morning per week and contributes significantly to the safe and smooth transition of ‘littlies’ to school.
- The school has developed a wetland/veggie gardening area as part of our Environmental Ed focus, on the school grounds. Parent volunteers support this and also provide healthy lunches 2 times per week (sit-down).

**Staff facilities**
- A teacher preparation room is available for staff use.
- The library has a designated office area for use by staff.
- New staff laptops were purchased in 2012 for both classrooms.

- **Access for students and staff with disabilities**
  - There is disabled access to one classroom area. There is no disabled access to toilets.

**Access to bus transport**
- Private contractors’ buses are available for excursions. Public Transport is not available.
10. School Operations

- Decision making structures
  
  The school has a very active Governing Council supported by a number of support groups & committees. These include

  - **Community Support Group** (Catering events, whole school fundraisers).
  - **Grounds Committee** (Grounds, working bees, wider school environment/KESAB/Waterwatch/Tree Planting.)
  - **Playgroup** (Parent’s social events, welcoming new families).
  - **Student Representative Committee** (Student issues, student events, student initiated school improvements).
  - **PAC** (Staffing, staff related issues, policies/finance advice).
  - **Staff** All staff attend a staff meeting on Tuesdays. Staff members are involved in all negotiation via staff meetings or ad hoc discussions. Decision making processes focus on consensus.

Regular publications/news/communications

- A newsletter is published weekly and is intended to support community news.
- The school website.
- School articles in the Springton Snippets & local paper.
- Assemblies held twice per term with work presented from classes, certificates and news.
- Staff communication occurs through a weekly diary, email and site intranet.

- School financial position

  We are in a sound financial position and employ a permanent 30 hour/week Finance Officer to oversee our financial management processes.

11. Local Community

- General characteristics

  The community is a mix of urban and semi-rural, old and new, with a very strong sense of community. For most families, both parents probably work (farming, viticulture, service industries); have an English speaking background and take an active interest in their children’s schooling. Many students are third-generation at the school.

Parent and community involvement

Springton Primary School has an extremely supportive parent body, who work closely with staff. We actively welcome and encourage parental involvement in all aspects of our learning program, and have a number of parents & grandparents that work within our classrooms, providing 1:1 support for students. We also have an active Community Support Group (CSG) that works tirelessly to support the school. The main objective of the CSG includes promoting the interests of the school within the community, assisting to provide facilities and equipment for the school through fundraising, and to encourage parental and community participation in the curriculum. The group also offers hot lunches on Mondays & Fridays at minimal cost to families.
• Feeder or destination schools
Local secondary schools are Birdwood and Nuriootpa High Schools. A school bus service operates for Birdwood but not for Nuriootpa. Independent secondary schools are located at Tanunda and Gawler, although are not currently accessed by SPS students.

Other local care and educational facilities
• Children attend pre-school at the Mt Pleasant Kindergarten.
• Child care centres are located at Angaston and Birdwood.
• OSHC is available at Mt Pleasant Primary School.
• TAFE colleges are located in Gawler and Nuriootpa.

• Commercial/industrial and shopping facilities
  There are minimal shopping facilities or industries in Springton.

• Other local facilities
A range of sports clubs and cultural activities are available locally, while travelling time by car to the centre of Adelaide is approximately 60 minutes for further opportunities. Other large facilities (e.g. shopping, medical and transport) are found at Nuriootpa, Gawler and Tea Tree Gully, all approximately 30–40 minutes away.

• Availability of staff housing
• There is no government staff housing available. Rental accommodation is limited.

• Accessibility
  There is no public transport available to or from Springton. Limited bus services run to Birdwood and Angaston.

• Local Government body
  Barossa Council

12. Further Comments
